

This Warranty is expressly granted on condition that the Covered Owner, or the permitted Beneficiary (defined below) has accepted and agreed to the terms, conditions and requirements contained in this Warranty.

1. **Provider; Territory.** The provider of this Warranty is Enphase Energy, Inc., 47281 Bayside Parkway Fremont, CA 94538 United States (“**Enphase**”). Enphase provides this Warranty to Covered Owners (defined below) in Finland (the “**Territory**”).
2. **Warranty.** This Warranty is effective for Covered Products (defined below) that are activated on or after December 7, 2023, unless a newer limited warranty is subsequently posted which applies to a Covered Product’s Activation Date (defined below). Check <https://enphase.com/en-fi/warranty/finland> for the correct warranty governing Covered Product. Please print out this Warranty and keep a copy for your records. Please contact Customer Support with any questions. Subject to the terms of this Warranty, Enphase warrants to the Covered Owner (defined below) that the products listed in the table below and installed for use at the original end user location in the Territory (the “**Original Location**”) (each a “**Covered Product**”), will be free from defects in workmanship and materials (“**Workmanship Warranty**”) for the applicable warranty period set forth below (each, a “**Warranty Period**”). If the Covered Product is defective or malfunctioning during the Warranty Period, the Covered Owner can obtain service under this Warranty by following the procedure as outlined below.

This Warranty is valid only when the Covered Products are sold by Enphase itself or by an Enphase-authorized reseller.

<u>Products</u>	<u>Warranty Period</u>
<b>IQ 8 Microinverter</b> with SKU: IQ8MC-72-M-INT IQ8AC-72-M-INT IQ8HC-72-M-INT IQ8MC-72-M-ACM-INT IQ8MC-72-M-ACM-INT-NM IQ8MC-72-M-ACM-INT-RMA	25 years from the Activation Date (defined below).
<b>IQ Relay with SKUs:</b> Q-RELAY-1P-INT Q-RELAY-3P-INT	5 years from the Activation Date (defined below)
<b>IQ Gateway with SKUs:</b> ENV-S-WM-230 ENV-S-WB-230 ENV-S-EM-230	5 years from the Activation Date (defined below)
<b>Current Transformer with SKUs:</b> CT-100-SPLIT CT-100-SPLIT-ROW	5 years from the Activation Date (defined below)

3. **Activation Date.** As used in this Warranty, “**Activation Date**” means the date the Covered Product is activated at the Original Location via the Enphase Installer Portal and the Covered Owner has received “permission to operate” the Covered Product by the authorities having jurisdiction.
4. **Additional Rights.** This Warranty applies in addition to mandatory statutory rights available to consumers under Finnish consumer laws, including under the Finnish Consumer Protection Act (38/1978). It explicitly does not limit any mandatory statutory consumer rights.
5. **Continuous Connectivity.** The Covered Products should be continuously connected to the internet during the applicable Warranty Period, except when interrupted by causes outside of the Covered Owner’s reasonable control. This will help ensure that potential defects in the Covered Product can be diagnosed remotely and that the Covered Product can receive over-the-air firmware updates.
6. **Warranty Recipient.** For the purposes of this Warranty, the “**Covered Owner**” shall mean the person or entity that purchases and installs (or has installed) the Covered Product from Enphase or an Enphase-authorized reseller at the Original Location. In addition, Covered Owner shall include subsequent

transferees (each, a “**Beneficiary**”) as long as (a) the Covered Product remains at the Original Location, and (b) the Beneficiary submits to Enphase a “Change of Ownership Form.” The submission of a Change of Ownership Form is required for continued Warranty coverage. The Change of Ownership Form is available at <https://enphase.com/en-fi/warranty/finland>.

## 7. How to Obtain Warranty Service.

- a. To obtain warranty service, the Covered Owner must contact Enphase Customer Service to request a Return Merchandise Authorization (RMA) and further instructions. The Covered Owner may contact Enphase Customer Service e.g., at the contact information in Section 19 (Customer Support Contact Information) below:
- b. Covered Owner may not return a product to Enphase unless they have received an RMA from Enphase.
- c. The Covered Owner must comply with the Return Merchandise Authorization (RMA) Procedure available at <https://enphase.com/en-fi/warranty/finland>. Enphase will remotely diagnose the issue with the Covered Product and, if Enphase is able to confirm that the product is eligible for this Warranty, and that a defect exists in the Covered Product, Enphase will provide the Covered Owner a pre-paid shipping label for the return of the defective product. Enphase will not cover shipping costs if the Covered Product does not fall within the scope of this Warranty. Unless Enphase specifically instructs the Covered Owner otherwise, the Covered Owner must return the allegedly defective Covered Product to Enphase in the original packaging or packaging providing equivalent protection during shipment.
- d. If Enphase provides the Covered Owner a replacement product under this Warranty, Covered Owner hereby acknowledges that ownership of the defective Covered Product is transferred to Enphase.

## 8. Remedies.

- a. During the applicable Warranty Period, if Enphase confirms the existence of a defect that is covered by the Workmanship Warranty, Enphase will, at Enphase’s option, either (i) repair or replace the Covered Product free of charge, or (ii) refund the Covered Owner the actual purchase price for the Covered Product less reasonable depreciation based on use at the time the Covered Owner notifies Enphase of the defect. Enphase will not elect to issue a refund unless (A) Enphase is unable to provide a replacement and repair is not commercially practicable or cannot be timely made, or (B) Covered Owner is willing to accept such a refund. In the event of a defect, to the extent permitted by law, these are the Covered Owner’s sole and exclusive remedies.
- b. If Enphase repairs or replaces the Covered Product, (i) Enphase will, at its option, use new and/or reconditioned parts or products of original or improved design, and (ii) the Warranty will continue to apply to the repaired or replacement product for the remainder of the original Warranty Period or ninety (90) days from the date Covered Owner receives the repaired or replacement product, whichever is later.

## 9. Warranty Limitations and Exclusions.

- a. The Warranty does not cover, and Enphase will not be responsible for, shipping damage or any other damage caused by mishandling of products by the freight carrier.
- b. This Warranty does not apply to, and Enphase will not be responsible for, any defect in or damage to any products:
  - i. that have been misused, abused, neglected, tampered with, altered, or otherwise damaged, either internally or externally;
  - ii. that have been improperly installed, operated, handled or used, including use under conditions for which the product was not designed, installation or use in an unsuitable environment, or installation or use in a manner contrary to applicable laws or regulations, or contrary to the Quick Install Guide or the Product data sheet (collectively, the “**Product Documentation**”), which can be found at <https://enphase.com/en-fi/installers/resources/documentation>;
  - iii. that have been subjected to fire, water, generalized corrosion, biological infestations, acts of nature, or input voltage that creates operating conditions beyond the maximum or minimum limits listed in the applicable Product Documentation, including high input voltage from generators or lightning strikes;
  - iv. that have been subjected to damage caused by third party components not provided by Enphase and used with the Covered Products
  - v. that have been damaged by service performed by anyone who is not a representative of Enphase;

- vi. if the original identification markings (including trademark or serial number) of such products have been defaced, altered, or removed (other than by fading through regular wear and tear);
  - vii. if the Grid Profile (utility approved operating parameters) of the Covered Product has been altered, and such alteration causes the product to malfunction, fail, or fail to optimally perform; or
  - viii. if the Covered Product is not using the most up-to-date firmware made available by Enphase and the applicable defect could have been avoided if such firmware were being used
- c. This Warranty does not apply to, and the term “Covered Product” shall not include any third-party products that may be installed with the Covered Products at the Original Location.
- d. The Warranty does not cover cosmetic, technical or design defects, or shortcomings which do not materially influence or affect energy storage or degrade form, fit, or function of the Covered Products; noise or vibrations that are not excessive or uncharacteristic and do not impact the Covered Product’s performance; or any defects or parts requiring replacement due to ordinary wear and tear, corrosion, rust or stains, scratches, dents on the casing or paintwork of the Covered Product.
- e. For the avoidance of doubt, software programs installed in the Covered Products and the recovery and reinstallation of such software programs and data are not covered under this Warranty. Enphase does not warrant that the operations of the Covered Product will be uninterrupted or error-free.
- f. No Enphase employee or authorized reseller is authorized to make any modification, extension, or addition to this Warranty. If any term of this Warranty is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.
- g. Covered Products are not intended for use as a primary or backup power source for life-support systems, other medical equipment, or any other use where product failure could lead to injury, loss of life, or catastrophic property damage. Enphase disclaims any and all liability arising out of any such use of the Covered Products. Further, Enphase reserves the right to refuse to provide support in connection with any such use and disclaims any and all liability arising out of Enphase’s provision of, or refusal to provide, support for the Covered Product in such circumstances.

**10. Transfer to Third Parties.** Enphase expressly reserves the right to transfer its rights and obligations under this Warranty to a third party with the demonstrated expertise and requisite resources needed to effectively discharge the obligations hereunder.

**11. Disclaimer of Warranties.** Enphase does not grant any further rights, remedies or claims under this Warranty, and any further rights and claims, whether express or implied, statutory or otherwise (including warranties and conditions of merchantability and fitness for a particular purpose) shall be excluded.

**12. Limitation of Liability.**

- a. Enphase shall not be liable for any damage occurring due to slight negligence. Nothing in this Warranty excludes or limits the liability of Enphase for wilful misconduct or gross negligence, infringement of main contractual obligations, based on product liability laws or for death or personal injury caused by Enphase's negligence.
- b. In case of a slightly negligent infringement of essential contractual obligations, Enphase’s liability will be limited to the foreseeable damages which are characteristic for such type of contract.
- c. In cases of Section 12(b) Enphase shall not be liable for any (i) indirect or consequential damages, losses, costs, or expenses however arising nor (ii) economic losses of any kind, nor business losses, such as loss of profits, loss of sales, business interruption, or loss of business opportunities.
- d. In case the end user is a consumer, the limitations of liability set out in this Section 12 will apply to the fullest extent permitted and enforceable under the applicable mandatory laws.

**13. No Other Rights.** This Warranty is the sole and exclusive warranty given by Enphase and the rights and remedies set out in this Warranty, including claims for damages according to Section 14 (Further Rights of Covered Owner), are the exclusive rights, remedies and claims under this Warranty. However, additional rights under Section 4 (Additional Rights) shall remain unaffected.

- 14. Further Rights of Covered Owner.** This Warranty applies in addition to mandatory statutory rights available to consumers under Finnish consumer laws, including under the Finnish Consumer Protection Act (38/1978). It explicitly does not limit any mandatory statutory consumer rights.
- 15. Governing Law.** This Warranty shall be governed by the laws of Finland, without giving effect to any conflict of laws principles that may require the application of the law of another jurisdiction.
- 16. Jurisdiction.** In case the end user is not a consumer the courts of Finland have exclusive jurisdiction for all claims arising out of or in connection with this Warranty. In case the end user is a consumer, such end user has the right to file a claim in the court of the place of their residence
- 17. Enforceability.** If any term of this Warranty is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.
- 18. Consumer Dispute Resolution.** Consumer may turn to the Consumer Disputes Board (Fi: *Kuluttajariitalautakunta*) to have the dispute tried to the extent that the board is competent to try the dispute. The Consumer Disputes Board's address is Hämeentie 3, Box 306, 00531 Helsinki and the website's address is [www.kuluttajariita.fi](http://www.kuluttajariita.fi). Before taking the matter to the Consumer Disputes Board, the customer must contact the Customer Advice Service (Kuluttajaneuvonta) (<https://www.kkv.fi/kuluttaja-asiat/kuluttajaneuvonta/>). Enphase is not committed or obliged to participate in dispute resolution procedures in front of the Consumer Disputes Board.
- 19. Customer Support Contact Information.**
